CONTINENTAL CLAY™ MID-RANGE LIQUID GLAZE

Cone 5-6

Our popular Clear, Gloss White, and Black Night Gloss Glazes are now available in liquid form. These glazes offer convenience and affordability. Show the beauty of the natural clay color and hand-painted underglaze designs with our Clear (GC610) using a thin to medium coat. Gloss White (GC760) and Black Night (GC702) are dependable basic glazes for every teacher. Clear is available in pints, gallons and 5 gallons. Gloss White and Black Night are available in pints and gallons.
